PPDC Registration Review Work Group

Meetings Scheduled

The Registration Review Workgroup, part of EPA's Pesticide Program Dialogue Committee (PPDC), has scheduled public meetings on Monday, February 2 and Monday, March 1, 2004. The workgroup is developing advice and recommendations on topics related to EPA's registration review program. Agendas for these meetings will be posted on EPA's website at <http://www.epa.gov/pesticides/ppdc>. Both meetings will be held from 1:00 p.m. to 5:00 p.m., at EPA's offices at 1921 Jefferson Davis Highway, Crystal Mall #2, Room 1110 (the Fishbowl), Arlington, VA.

A Federal Register notice announcing these meetings will be published soon and posted on EPA's website at <http://www.epa.gov/fedrgstr>.

The PPDC was established in 1995 to provide a public forum to discuss a wide range of pesticide regulatory development and reform initiatives, evolving public policy and program implementation issues, and science policy issues associated with evaluating and reducing risks from use of pesticides.
